Tuesday 5th September 2023

Dear Parents

Welcome back to the new Academic Year. I hope you all had a great holiday and enjoyed some relaxing family time.

We are all looking forward to this new year and the different opportunities that will be available. As always I welcome your feedback regarding any aspect of school life.

Here is some information about some of the new initiatives:

Learning Plans

Each Class Teacher has produced a Learning Plan for their class. This gives you an overview of what they will be teaching your children this term. This will mean you will be able to both discuss and support the learning that your children will have in school. You will be receiving a copy of this and they will also be available on the school website.

Class Dojo

We are launching a new app to continue to improve our communication with parents and families. A code will be sent home to you all, along with a powerpoint presentation to explain how to register. On this app you will be able to view the House points that your child is awarded and also the reasons for this, linked to our Learning Characteristics. Class Teachers will also post updates and reminders for you all regarding events in class.

Discover more about your school

I am inviting you all to attend sessions with me to find out more about different aspects of school life. I have attached a poster of the dates and what will be covered. I hope that many of you will join me. It should be very interesting!

ESC sessions

Please find attached the schedule for the ESC sessions this term. I hope that your children will attend and participate in these wonderful activity sessions.

Small Schools – Huge Ambitions

Website: <http://www.waveneyvalleypartnership.org>

Please remember to follow the schools on Facebook as we will continue to post updates on there!

I look forward to working with you all this year and would like to thank you in advance for your support.

Kind regards

Simon Lea
