Thursday 4<sup>th</sup> January 2024

Dear Parents

Happy New Year to you all!

I hope that your festive break was good and that you are all well as we head into 2024.

The whole staff had a very productive Professional Development Day on Wednesday. All our work focused on improving the outcomes for your children and I was really impressed with the commitment and dedication shown by them all. I also know that they have exciting plans to ensure that the learning opportunities are going to be fun and engaging.

At this point I would like to welcome Miss Lucy Baldwin to our staffing team. She will join us later this month as a Part time Teaching Assistant. We are all looking forward to working alongside her in the future.

During this term I will be hosting 'Learn more with Mr Lea' sessions. These will have a specific curriculum focus and will be in a workshop style where parents can develop their knowledge and skills in helping to support their children. These will be presented in a fun and interactive way. I hope to see many of you there!

We will also continue to hold our fortnightly Whole School Celebration assemblies this term - again we hope you can join us.

So finally, I would like to extend my best wishes to you all for the forthcoming year and I look forward to working together to benefit all of the wonderful children in our school.

Kind regards  
Simon Lea
