12th January 2024

Dear Parents and Guardians

Educational visit to Sizewell – 1st March 2024

In Rowan class next half term, we will be learning about electricity in our science curriculum. To help with our learning of this topic we are excited to let you know that we will be visiting Sizewell B visitors centre on 1st March 2024. We will be able to broaden our science skills and vocabulary by participating in a variety of activities led by the EDF centre.

We will be visiting Sizewell in school hours and will be travelling via minibus and car and returning in time for the end of the school day.

Children will need:

- Packed lunch
- Drink
- School uniform as normal

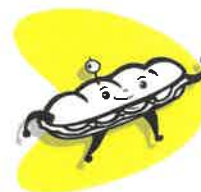

A voluntary contribution of £4.25 per child is requested, please pay and give consent via Arbor. If insufficient funds are collected, making the visit financially unviable, the visit may not be able to go ahead. Please note that deposits for residential trips (and cost of day visits) are non-refundable.

Yours sincerely

Sam Norfolk
Science Lead

Small Schools – Huge Ambitions
